

## Sun City Monday Bowling – 2023

The fees we collect each session pay Strikers for 15 weeks of bowling. A small percentage of the fees are reserved for the league prize fund, which is 100% distributed. No funds are carried over to the next session. The exact payout amount depends on how many bowlers we have, but the payout categories will not change.

- **Team position awards** - Every team wins prize money according to their final standing. The first place team will receive the most, the last place team the least, but each team will receive something.
- **Individual bowler awards** – League bowlers are eligible for the following awards. Substitute bowlers, and pre-bowled scores are not eligible, and **bowlers may win only one individual award**. The categories below have separate awards for men and women.
  - High season average (one winner) ← new this year
  - High series (best 3)
  - High game (best 3)
  - High series with handicap (best 3)
  - High game with handicap (best 3)
- **Team performance awards** – League teams are eligible for the following awards. **Teams may win only one award**.
  - High team series (best 3)
  - High team game (best 3)
