

HOME OWNERS'S ADVISORY COUNCIL

*Our Mission is to become "Highly Valuable" to owners, to our governance structure, and to ourselves by becoming a "knowledge network" of informed owners. We envision the HOAC as the **Voice of the People**. We envision the NR of our future as an ambassador, a neighborhood friend, colleague, ally, and trusted source of information about any aspect of our community...a "rumor squelcher", a "go-to" person, a respected fellow owner, a listener, someone who can connect an owner who has a question or problem to a solution.*
