All 9-Hole League members must have an active GHIN account in order to participate in the league. The GHIN system provides Golf Genius with the golfer information to produce the emails and online sign-up for league play along with the scorecards used during league play

Please pay this fee prior to December 31, 2023, to avoid the cancelation of your current GHIN account and force the need to create a new account before league play begins in March, 2024. Please note that your check may not be processed until mid to late January, 2024.
