

Tournament Play Off

Anytime there is a tie in tournament, winners are determined based upon scores on pre-determined individual holes set by the golf pro shop. These holes are:

Front 9: 6 9 1 3
Back 9: 14 18 13 17.

In the following example, both golfers recorded gross scores of 53 on the front 9. Using the front 9 playoff holes, we see that both golfers scored a 7 on hole #6 so, following the order of playoff holes shown above, we next look at hole #9 and see that "Bo" recorded a 6 while "Jane Doe" recorded a 7. Based upon the playoff holes, "Bo" is the designated winner.
