

Non League Rotational Play

Bocce Ball Club games generally last no longer than 30 minutes, after which the *winning* teams rotate to another court as follows (Note: *losing* teams do not move):

Court 1 winners move to court 2

Court 2 winners move to court 3

Court 3 winners move to court 4

Court 4 winners move to court 1

Rules

Bocce Ball Club Simple Rules are used for play. The rules are posted in the Documents section of the club web page and the club notebook.

Teams

There are no designated teams in Bocce Club play, except for league play and selected events. Teams are made up each day from the members present to play.

Scoring

Except for separate league games, Bocce Club scores are not recorded. Team scores are tracked during play only to determine which team rotates to the next court for the next game.
